МАГАЗИН

The diagram illustrates the user interface of a store named "МАГАЗИН" (Store). The interface is divided into several sections:

- Header:** The word "МАГАЗИН" is prominently displayed at the top left.
- Product Grid:** A grid of product images is shown in the center-left area.
- Filters:** A sidebar on the right contains various filter options, including checkboxes, radio buttons, and a range slider.
- Product Details:** The bottom right section displays detailed information about a selected product, including a large image and descriptive text.

Red arrows indicate the flow of user interaction between these elements, showing how users can navigate through the store's offerings and filters.
